

Hello All,

Thought I would remind everyone that this weekend at Silver Lagoon we are having our annual race!!!

We will have a challenging coarse on the Little Red Deer River, which offers a nice current, easy access and excellent spectator viewing! Saturday we will have training clinics for all and the afternoon will see our DR race on flat water.

Sunday we will have our slalom race, 2 runs and awards. There will be a concession for burgers, hot dogs etc. Camping is near by and some of us have yards that you are welcome to set up in (little farther to the coarse).

This is an excellent coarse for novices of all ages to have some fun competing on moving water that is not too challenging but rewarding just the same.

We hope to see some people come out and enjoy the weekend and have some good times paddling with the Cottonwood Club.

Thank - you

Mac Gillies

Cottonwood Kayak Club
