

Sundre Slalom / Kayak Polo Pool Event

We're excited to confirm that Sundre will host a combined Slalom / Kayak Polo pool event MARCH 14-15 THIS YEAR!

The fun will start Saturday morning, with an 8-11 clinic session (choose the polo clinic or the slalom clinic.)

After a break for lunch and rest, we'll spend the afternoon and evening playing 3on3 polo (2-10pm). Teams will be created on site.

Sunday morning we start bright and early (7am) for a slalom show-down that runs until 11am. (*Times are subject to wiggle depending on participants*)

The community center (1 block from the pool) will be available for lodging (bring a sleeping pad and bag) on both Friday and Saturday night for a fee.

We hope that this event will offer both beginners and experienced paddlers a chance to learn, have fun, and maybe try something new.

Cost for the entire event will be \$30-45 (TBA), plus a fee for lodging at the community center if you choose.

You can register and pay on site, but it would help us out a lot if you could email me with your intent to come, so we can figure out approximate numbers and cost. (Sooner is better!)

Once again, please forward this to anyone who may be interested, and we hope to see you there!

Thanks,
Sundre Paddling Club
