Provincial Training Camp
July 3-7, 2017

What:

Alberta is holding a Provincial Slalom Training Camp the first week of July. The goal of this camp is to take your slalom skills to the next level. One day at a time you can get better, but during a week-long camp your skills go up exponentially because of the consistent time in a slalom boat.

Who:

This camp is open to any Alberta athletes who are keen to reach that next level in their paddling. Athletes from other provinces will be invited based on space availability
